Technology
Faculty of Medicine and Health
Sciences

THE ECTS MA EXECUTIVE BOARD AND NORWEGIAN UNIVERSITY OF SCIENCE AND
TECHNOLOGY (NTNU),
THE FACULTY OF MEDICINE AND HEALTH SCIENCES, NORWAY,
HAVE THE PLEASURE TO INVITE YOU TO THE ONLINE
ECTS MA ANNUAL MEETING 2021

Norwegian University of Science and Technology (NTNU)

Norwegian University of Science and Technology (NTNU), founded in 1996, is a young institution with a long history.

NTNU is a university with international focus, with headquarters in Trondheim and campuses in Ålesund and Gjøvik. NTNU has a main profile in science and technology and educates 75% of Norway's master candidates in technology. NTNU offer a variety of programmes of professional study, and great academic breadth that also includes the humanities, social sciences, economics, medicine, health sciences, educational sciences, architecture, entrepreneurship, art disciplines and artistic activities.

NTNU offers 371 study programmes (2020) and has 42.000 registered students.

The Faculty of Medicine and Health Sciences is a teaching and research institution within the field of medicine and health. We are part of the integrated University Hospital in Trondheim together with St. Olav's Hospital. The Faculty has activity in Trondheim, Gjøvik, Ålesund and Levanger. We have around 1800 employees, many of which also have positions within the Health Care Services. We have around 6500 students.
